

## ENHANCING SPECIALTY CROP PACKAGING COST SHARE PROGRAM

# Participant Application

The South Carolina Specialty Crop Growers Association is proud to announce the Enhancing Specialty Crop Packaging Cost Share Program. Through funding from the USDA Specialty Crop Block Grant, farmers can receive reimbursement up to \$1,800 per year, per farm for packaging costs.

Packaging is essential to specialty crop farmers and can often be expensive. This program is designed to help alleviate some of the financial burden that comes with farming and encourage growers to expand their market outlets. Funds are available on a first come first serve basis until funds are depleted.

The following is required for reimbursement:

1. Must be South Carolina Farmer and grow specialty crops. The USDA defines specialty crops as “fruits and vegetables, tree nuts, dried fruits, horticulture, and nursery crops (including floriculture).”
2. Provide copies of primary source receipts for packaging costs.
3. Sign an affidavit with SCDA to ensure packaging will be used solely for the use of specialty crop farms.
4. Provide data, information, statistics, and/or testimonials after 12 months of participation in program.
